## Educational qualifications

Diyala University/College of Education (Al-Asma'i) ◆

Bachelor's degree in  
Education /Arabic Language

2008-2012

University of Diyala / College of Basic Education ◆

Master's (Methods of Teaching  
Arabic Language

2018-2020

## the goal

I hope to continue in the academic aspect and obtain a doctorate in the methods of teaching the Arabic language and gradually in obtaining scientific titles that qualify me to continue in this field, which is considered one of the most important specializations due to the specificity and importance of the Arabic language in its teaching methods.
